First Book of Enoch:

1:1 without the Book of Enoch, the stories in the Book of Genesis cannot be completed in the Bible we have today. 4th to 3rd century BCE is the First Book of Enoch.

1:2 the mistake made in the Book of Enoch is that the author mistook Angels for the tribe of Gods.

5:7 Prophet Enoch says that the chosen will be given light, joy, peace, and they shall inherit the earth.

6:3-5 Samyaza and 200 others wanted to sleep with women. This would mean there were over 200 Gods. Whoever Samyaza is and the 200 others were, they are not Angels.

7:1 the giants taught sorcery, spells, and how to extract medicinal plants.

7:2 this is a false verse that the giants were 300 feet tall.

7:3-5 once all the giants had gotten all the knowledge from mankind, the giants turned on mankind destroying what the giants could. The giants were called Amaliek, which means giants in Arabic. The giants were thought to have been descended from Cain.

8:1 the Angel Azazel taught man how to build swords, knives, and breastplates, and revealed to them the metals of the earth and how to work with them. Azazel also taught man how to make bracelets, ornaments, and how to use antimony for makeup. Antimony is known as Kohl which is Arabian. Azazel is an Angel because his name ends with el.

8:3 Aramos the God taught enchantments to mankind. Baraqijal, also known as Baraqiel the Angel taught astrology to mankind. Baraqijal is Arabic, the Angels names that are Arabic end in “al”. Kokabel the Angel taught how the stars were formed. Ezeqeel taught knowledge of the clouds. Araqiel the Angel taught the signs of the earth. Shamaseil the Angel taught the signs of the sun. Sariel the Angel taught the signs of the moon.

9:6 this is a false verse that the Angel Azael taught all unrighteousness on earth and revealed the eternal secrets that were preserved in heaven which mankind was striving to learn. This verse is probably talking about the God Samyaza who is described as the leader of the 200 Gods in the next verse.

9:7-10 the tribe of Gods slept with wives on the earth. Samyaza was the leader of the tribe of Gods. The 201 Gods defiled themselves, the tribe of Gods revealed all kinds of sins to the wives they slept with. The tribe of Gods created Nephilim by sleeping with wives on the earth. The Nephilim are not allowed to enter Heaven because of their lawless deeds on the earth.

10:4 this is a false verse that the Lord said to the Angel Raphael to bound the Angel Azazel is bounded by his hands and feet in Dudael which is darkness. There is no verse in the Book of Enoch that states Dudael is located in east of Jerusalem in Arabia. We don't know where Dudael is.

10:8 this is a false verse that the Angel Azazel corrupted the earth through what he taught mankind. The Angel Azazel is not responsible for all sin.

10:9 the Watchers are called "Grigori", the Watchers are not referred to as watchmen or guardians. The Aramaic word "Grigori" means the Watchers. The Aramaic word "ir" means watchmen, watcher, and guardian.

10:10-14 the Angel Gabriel caused a civil war between those who the Gods had sons and daughters of with. The Gods sons and daughters would live for 500 years. The civil war would have been thousands of years before the Flood.

14:21 this is a false verse that none of the Angels could endure our Lord's face.

14:24 this verse is about prostration

15:8-12 the giant's spirits try to destroy the earth. The Nephilim's spirits oppress, destroy, attack, start battles, and work to destroy the earth. If these verses are correct, that means the giants became demons. There were jinn before the giants existed, the giants who were deceased would not have been the only jinn on the earth. We don't know if these are false verses or not.

20:1 these verses are the list of the seven Angels who watch

22:7 the Angel Raphael told Prophet Enoch that Abel will complain about Cain's descendants for the span of the earth. I don't believe this verse relates to the alleged crucifixion of the Messiah.

74:10 364 days in a year

85:1-9 Prophet Enoch had a dream about a white bull, a cow, a black bull, and a red bull. The black bull mated with the cow. Many oxen came from the black bull and the cow. The white bull mated with the cow. Many white bulls came from the white bull and the cow.

The animals fought one another. The white bull gave birth to a wild donkey and gave birth to another white bull.

89:11-12 the white bull gave birth to more wild donkeys. The white bull gave birth to a black wild boar and a white sheep. The boar gave birth to many boars.

89:13-16 the sheep gave birth to twelve sheep. One of the twelve sheep stayed with the donkeys. That sheep later stayed with the wolves. The eleven sheep stayed with the one sheep and the wolves. The sheep gave birth to more sheep. The wolves feared the sheep. The wolves killed the sheep’s babies throwing the sheep’s babies into a river. The sheep began to cry aloud and complained to our Lord. A sheep that escaped fled and lived with the donkeys.

89:17-18 these are false verses that the Lord called the sheep that escaped and told the sheep to stay with the wolves. The sheep and the wolves did not meet and talked to our Lord.

89:20-29 the Lord hit the wolves, and the wolves felt guilty. The sheep did not trust the wolves and escaped from the wolves. The wolves pursued the sheep and were separated from the sheep from a sea of water. The Lord led the sheep into a sea of water. The wolves went into the sea of water to chase the sheep and drowned. The sheep crossed the sea of water. The sheep went into the wilderness where there was no water and no grass.

89:30 this is a false verse that the Lord stood before the sheep.

89:31 this is a false verse that the Lord was terrible and majestic when the sheep saw him.

90:37-38 these verses are a continuation from 1 Enoch 85 about how when the animals were transformed, they all became white bulls after the first white bull. The first white bull that was transformed became a lamb. These verses have nothing to do with the Messiah being the lamb. The lamb in these verses had black horns and the Lord did not rejoice over the lamb and all the oxen. The event didn't occur.
